THE PÜROVEL EXPERIENCE

The name Pürovel means a gently flowing stream in Romansh, a language born in Switzerland. We infuse our Swiss heritage in ways you might only notice upon closer inspection. This includes the Pürovel bath products and massage oils, which are infused with essential oils, whose ingredients grow in a Swiss Alpine garden. Primary ingredients include essential aromas of clary sage, lavender, peppermint, bee balm and the needles of spruce, silver and Douglas fir. So sit back, inhale Swiss Alpine essential oils and exhale all the stresses of the day.
